Since 2002, YWCA Pasadena has strived for racial justice every day. Our virtual Women For Racial Justice Breakfast affords us an opportunity to recognize the commitment and dedication of our members, community advocates, and business partners.

Please stand with us in taking action against racism and inequality by supporting this inspirational, thought-provoking event.

The YWCA Pasadena-Foothill Valley's continued growth and success relies on the generosity of our donors. Our programs and community outreach are needed more than ever and we would be honored to have your support.
