For 19 years, the YWCA’s Women for Racial Justice Breakfast has been a space and experience that has brought people in the Pasadena community (and beyond) together for deep learning and an invitation to action to advance racial justice.

At YWCA, we demand a world of equity and human decency. We envision a world of opportunity. We commit ourselves to the work of racial justice. We will get up and continue to do the work until injustice is rooted out, until institutions are transformed, until the world sees women, girls, and people of color the way we do: Equal. Powerful. Unstoppable. We invite you to JOIN US in this work.
